Greetings,

It was great seeing so many of you at our September meeting. Thank you for participating in our re-commitment ceremony and for taking part in our short zumba exercise session. It felt good to get up and move around after sitting for almost an hour.

We are now looking forward to our "Hands On Technology" program at our October meeting. Please remember to bring your handheld devices and /or laptops with you. Several of our tech-savvy members will help the rest of us set up our accounts on the DKG sites.

I look forward to seeing all of you at our meeting on October 5th.
