## President's Message

*Sylvia Salinas*

Greetings,

*As we continue to shelter, our meetings continue to be virtually. We continue to learn and experience this new way of meeting but still experiencing success. Special thanks to Dr. Vanessa Medina for joining RHO's meeting in October. Dr. Medina provided the members with very important information on breast cancer.*

*Because of Ronald McDonald House remaining closed due to virus, RHO will change our service project to CASA during December. I want to thank the members in advance for the purchase of pajamas to add to the backpacks that will be delivered to the center prior to Christmas. Other items such as toiletries, books, activity books, colors, etc., will be included based on either contributions and/or donations from members. I ask members to please contact Gladys Ortega or myself if you are able and willing to add any additional items to the backpacks. Please check the "announcement page" on website for up to date contributions.*

*I look forward to RHO's December meeting. A link to sign in will be sent via email prior to the meeting.*

*I want to wish all the members a "Safe and Happy Thanksgiving". We continue to shelter and please stay safe.*

Check your email regarding the pajama list. Buy a set of pajamas for CASA instead of purchasing a toy for R McDonald House. Backpacks filled with items will be delivered in Mid-December.

*RHO's October Virtual Meeting, celebrating Breast Cancer Awareness Month with Dr. Vanessa Medina as guest speaker. Members caught in action during the meeting, some multi-tasking and participating in the meeting. Elma Ayala was paying close attention to the agenda and wouldn't let me forget the end of meeting game. Some wondered whether it was a game or quiz (questions were on RHO's website). Marta Barrera, RHO's Treasurer, was the winner by answering the questions about our website. Congratulations to Marta!!! Members be aware that we might have this game/quiz again (hint, hint!!). Appreciate everyone's participation.*
