

President's Message Sylvia Salinas

Greetings,

What a way to start the 2021-2022 RHO Calendar Year. Everyone can pat themselves in the back for having made the meeting a success. Attendance was high and all members were able to actually see and talk to each other. Safety being our first priority. I think all members were ready to actually meet and see each other. I thank everyone for their support. For those members unable to attend, we missed you and hope you will be able to join us in October.

A reminder of October is "Breast Cancer Awareness Month". The 3rd Friday in October each year is National Mammography Day, first proclaimed by President Clinton in 1993. On this day, or throughout the month, women are encouraged to make a mammography appointment. A pink ribbon symbolizes breast cancer awareness. It represents fear of breast cancer, hope for the future, and charitable goodness of people and business who publicly support breast cancer. Let us all get involved and show our support for people affected by breast cancer and encourage and remind our members & friends to schedule their mammogram.

As part of our commitment to keep our members informed on educational issues our guest speaker for October will be Herminia Martinez. She will present on the tutoring bill and opportunities for members to continue making a difference in our profession and with students. (Keeping our members informed in the TSO Area 5 Newsletter) www.trtf.org

RHO's New Member Induction was held during the September 2021 Meeting. New Members look on as RHO Membership Chair & Speakers introduce inductees and start the DKG Ceremony.
